Cartwright Dance Collective have a dress code for a variety of reasons. A dress code ensures teachers can see the dancer's alignment and teach discipline, helping with overall focus and energy. Wearing a uniform gives dancers a sense of belonging and equality. It will help to minimise distractions, gives the class a unified look and ensures safety issues are minimised.

### HAIR

Hair should be neat and pulled back away from the face. It should be put into a slick bun for ballet and a ponytail is acceptable for other dance styles. Accessories such as bows and headbands are prohibited, unless part of a costume. Hair Kits can be purchased from Cartwright Dance Collective directly.

### JEWELLERY

Jewellery is prohibited in the studio, unless part of a costume - however small simple stud earrings are acceptable if suitable tape is covering them.
